Dear Marie,

I've written this recommendation of your work to share with other LinkedIn users.

Details of the Recommendation: "Marie and I had worked at CNA in Chicago for numerous years. We were paired as a creative team on many projects that covered a wide range; from product launches to advertisements to name just a few. Marie was well respected for what she could bring to a table; wonderfully creative, out-of-the-box mentality, can-do attitude, always considerate and highly professional. Her talents as a top-notch writer as well as her genuinely positive attitude (and great sense of humor) always made Marie a joy to work with."
